FINAL STATE ENVIRONMENTAL IMPACT REPORT
APPROVAL**

**State Road (S.R.) 514 (Malabar Road)
From east of S.R. 507 (Babcock Street) to U.S. 1
Brevard County, Florida**

Financial Project ID: 430136-1-22-01

On May 10, 2018, Florida Department of Transportation (FDOT) District Five Secretary Mike Shannon approved the Final State Environmental Impact Report (SEIR) for the State Road (S.R.) 514 (Malabar Road) from east of S.R. 507 (Babcock Street) to U.S. 1 in Brevard County Project Development and Environment (PD&E) Study. The proposed improvements consist of widening Malabar Road, where warranted within the study limits, and the addition of bicycle and pedestrian facilities throughout the corridor. The project also involves drainage improvements and access management reclassification.

The next phase of project development, the design phase (preparation of construction plans), is funded in fiscal year 2022. The right-of-way and construction phases are currently not funded.
